SUMMARY

Aspiring Full-Stack (MERN) Developer with hands-on project experience in React.js, Node.js, and MongoDB, built during an industry-oriented training program at eSkill Indore. Skilled in integrating AI APIs (Google Gemini, Claude) for intelligent features. Currently pursuing MCA, with a strong foundation in building and deploying complete full-stack applications.

SKILLS

Frontend: React.js, TypeScript, Redux Toolkit, TanStack Query, Tailwind CSS, JavaScript (ES6+)

Backend: Node.js, Express.js, MongoDB, Mongoose, REST API Design, JWT Authentication

AI / APIs: Google Gemini API, Claude (Anthropic) API

Other: Docker, Git & GitHub, Cloudinary, Multer, Axios, React Router DOM, Postman, VS Code

TRAINING EXPERIENCE

Software Developer Trainee — eSkill Indore

Jul 2025 - Present

Indore, Madhya Pradesh

Completed an industry-oriented, mentor-guided training program focused on full-stack (MERN) development. As part of the training, built and worked on full-stack projects using React.js, Node.js, Express.js and MongoDB; practiced integrating AI APIs (Google Gemini, Claude) for intelligent content generation; implemented JWT authentication and role-based access control; handled file uploads with Multer and cloud media storage with Cloudinary; learned to containerize applications using Docker; and used Redux Toolkit for state management across project modules.

PROJECTS

ImagineX - AI-Powered Social Media Platform

React, Redux Toolkit, Node.js, MongoDB, JWT, Cloudinary, Gemini API

- Social media platform with AI-generated images from user prompts via Google Gemini API.
- Admin dashboard to manage users (ban/unban), moderate posts, and handle reports.
- JWT auth, bcrypt hashing & Cloudinary-based secure image upload pipeline.

NoteNest - Study Notes Sharing Platform

React, Redux Toolkit, Node.js, MongoDB, JWT, Multer, Claude API

- Students upload study notes (PDF/text) with admin moderation before going live.
- Claude API integration auto-generates 5-point AI summaries per note.
- Ratings, comments, saved collections & subject-wise filtering via MongoDB aggregation.

EDUCATION

Master of Computer Applications (MCA)

Currently Pursuing (2026)

Bachelor of Computer Applications (BCA) — Mandsaur University, Mandsaur

Completed

CGPA: 7.96

Class XII — Vivekananda Higher Secondary School

2023

Percentage: 86%

Class X — Shree J.K. Public School, Sitamau

2021

Percentage: 71%
